# TOY STORY 4

5.21

- What do you think it means to be a 'lost toy'?
- There is some controversy about the way the film portrays 'broken toys' (ie. is it a disability?) What do you think the film wants to say about being 'broken'? Do you think it says it well?
- What do you think it means to 'find your inner voice'? Use examples from the film.
- Discuss the role of women in the film. How has it changed from earlier entries?
- Do you think there will be a Toy Story 5? If so, what would you write?
