

6.01

- Do you feel like Roy's decision to forgive his father was justified? Why/why not?
- What do you think it requires to be truly present in our relationships today? Is that something that you struggle with?
- Do you believe the film manages to capture a sense of wonder for things greater than ourselves? Why/why not?
- Discuss the challenges with wrestling with our upbringing. Do you agree with Roy that we are a product of our parents and families?
