Fishing for More

- There are many who believe that *Citizen Kane* is the best film ever made. Do you agree? Why/why not?
- What aspects of this vision of the past feel most relevant to you today? Explain your response.
- Do you believe that Mank maintains his integrity? Why/why not?
- What do you think defines power?
- Discuss the way that we consume media. How do you think we discern what is true in an age of endless information?
