

## Fishing for More

8-06

- Do you prefer to see sci-fi disconnected from our current reality or do you prefer to hear the issues of the day discussed on film? Explain your response.
- If Frank Herbert had written *Dune* today, do you think the story would look different? How?
- Who do you believe are the 'heroes' of this story? Why?
- Do you believe that you have control over your own life?
- What do you think it means to be 'called'?
