

Fishing for More

8.27

- What do you expect/want from a 'legacy sequel'? Does *Jurassic World: Dominion* meet those expectations?
- Discuss the relationship between man and nature. Do you believe that we have 'control'?
- What do you think our responsibilities are in regards to climate change? Do you agree that we must suffer the consequences of our actions?
- What do you think it means to 'move forward' after bad decisions/pain?

THE EPIC CONCLUSION OF THE JURASSIC ERA

IN THEATERS
JUNE 10
